Creating your account and where to begin

Ask your club leader if you need help!

Getting to Terminal Two

1. Click the top picture to the left to begin your registration. In the future, you'll use the bottom picture to log in.

The image shows a web page for 'Terminal Two' with a sign-up form. The form is titled 'Sign up now' and includes fields for Username, Age, Email, and Password. There are also checkboxes for 'I agree with the Terms of Service and Privacy Policy' and a 'Sign up for free now' button. To the right of the form, there is a section titled 'Sign up and get' with four checked items: 'More learn to code games', 'Save your progress', 'Teacher's guide for teachers', and 'Beta access to new games'. At the bottom of the form, there is a link for 'Already have an account? Sign In Here'.

Where do I start?

5. You should now be at the **Terminal Two home page**, where you can select from a variety of coding games and quests.
6. **Begin by working through Core of Code** in the **Learning Quests** section. This quest consists of five Beginner level games. You'll learn to code while you play!
